Dear Ms Child

EXAMINATION OF THE KIRKLEES LOCAL PLAN – POST HEARINGS

Thank you for your letter dated 15 June 2018 confirming that the Kirklees Local Plan is likely to be capable of being found legally compliant and sound, subject to main modifications.

The Council confirms it is content to proceed on the basis outlined in your letter. We will now prepare a comprehensive set of proposed modifications for your consideration prior to their public consultation. The Council also confirms that these modifications will be subject to Sustainability Appraisal and Habitat Regulations Assessment, as appropriate.

As requested the Council will also liaise with the Programme Officer regarding timescales for the public consultation on the modifications and we will make this information available on the Council's website as soon as is reasonably practicable.

Yours sincerely

Richard Hollinson
