

Kirklees Local Plan Examination

Stage 2 - Matter 11 – ME3324: Reported Accidents at Nopper Road, Arborary Lane, Intake Lane and Black Lane Junction

1. Introduction

Purpose of the note

- 1.1 During the Stage 2 Matter 11 (minerals allocations) examination hearing the Inspector requested the Council supply an up to date figure on the number of accidents reported at the Nopper Road, Arborary Lane, Intake Lane and Black Lane junction. This was requested in response to a challenge made during the hearing based on alternative information.
- 1.2 This note has been produced in response to this request and provides the Inspector with the injury accident plot plan covering the last 5 years (01/02/13 – 31/01/18). These injury accidents are those formally reported and supplied to the Council by the police.
- 1.3 In total there has been 6 reported injury accidents between 01/02/13 to 31/01/18, of these 5 were classified as minor and 1 as serious.
