**Dear Parent / Carer,**

**Ref: Almondbury Community School – Current Year 11 pupils**

You will already be aware that in July 2019 Kirklees Cabinet made the decision to change the age range of Almondbury Community School (ACS) which in effect removes the secondary phase of the school from September 2020.

As previously communicated, this means ACS will operate as normal for the current academic year to August 2020 which will mean your child in year 11 can see out their education at the school.

As you have received previous communications I just wanted you to know that I have written to parents with children in Years 7 to 10 to bring them further information about the future educational offer. A copy of this letter will be placed on the school website for full transparency.

Please rest assured that Kirklees Council continues to work with the school to ensure that in this very important GCSE year your child will receive a high quality educational experience and a positive transition into post 16 provision.

Yours sincerely

A handwritten signature in black ink, appearing to read "J. Sanders".
