

**KIRKLEES COUNCIL  
(SPEED LIMIT) (NO. 111) ORDER 2022  
EXTENDED 30MPH SPEED LIMIT  
NETHERTON MOOR ROAD, NETHERTON**

**STATEMENT OF REASONS FOR PROPOSING TO MAKE THE ORDER:**

This Traffic Regulation Order is required to support the development of land for housing to either side of Netherton Moor Road, Netherton.

The development of 250 houses with new access roads off Netherton Moor Road requires the 30mph/national speed limit transition at the edge of the village to be moved beyond the new accesses.

As a result, it is proposed is to start the 30-mph speed limit from a point 563 metres from the junction of Moor Lane as an appropriate point to reduce driver speeds as they reach the new development access junction.

It is believed this scheme will tackle the potential for inappropriate speed because of the increased traffic volumes expected by introducing the development.
