

**KIRKLEES COUNCIL  
(SPEED LIMIT) (NO. 116) ORDER 2022  
BARNSELEY ROAD, DRY HILL LANE, LOWER DENBY LANE, DENBY DALE  
(40MPH SPEED LIMIT AND 50MPH SPEED LIMIT)**

As part of planning permission for land adjacent to Inkerman Court, Barnsley Road, (Planning Reference 2019/91836) a Section 106 agreement included the reduction of the current speed limit from 50mph to 40mph from a point 85 metres east of its junction with Dry Hill Lane and the junction of Wakefield Road (A363).

The development of 34 dwellings with a new access road off Barnsley Road requires the overall speed limit reducing to 40mph to allow for the visibility from the new access to fall within appropriate sight distance guidelines.

It is believed this traffic regulation order will improve road safety.
