

KIRKLEES COUNCIL
Traffic Calming Scheme – Statement of Reasons
Oxford Road, Dewsbury

This traffic calming scheme is proposed following a funding stream becoming available under the title of Public Realm Improvements. Local Ward Councillors were asked to identify schemes they felt would benefit their wards, based on their experience and knowledge of their wards and concerns expressed by residents and the local Schools. A traffic calming scheme for Oxford Road outside St. John Fisher Catholic school has been requested.

This scheme is designed to tackle the issues of speeding, rat running, safety and anti-social behaviour outside St. John Fisher Catholic school based around motor vehicles.
