

Kirklees Council

Traffic Calming Order 2022

Church Road, Windy Bank Lane, Roberttown

Statement of reasons for proposing to make the Order

A traffic calming scheme has been proposed for Church Road and Windy Bank Lane, Roberttown at the request of the Local Ward Councillors. These proposals were developed in response to reports of speeding vehicles travelling along the road. The scheme is to be partly funded through local Section 106 monies from nearby developments and from Local Ward Councillor contributions.

It is believed the introduction of speed cushions and plateaus will help reduce speeds here and benefit all road users using this route.
