

**KIRKLEES COUNCIL
HIGHWAYS ACT 1980 – SECTION 90 A-F
KAYE LANE & ASHES LANE, HUDDERSFIELD**

Traffic Calming Scheme – Statement of Reasons:

A traffic calming scheme has been proposed for Kaye Lane and part of Ashes Lane at the request of the Local Ward Councillors.

These proposals have been developed due to recent injury accident collisions, as well as evidence of vehicles travelling at high speeds along this route.

The scheme is to be funded by Local Ward Councillors including a contribution from Highways.

It is believed the introduction of plateaus and speed cushions will help to reduce the speed of vehicles as they enter a more residential environment and will benefit all road users using this route.
