

Batley, Birstall and Birkenshaw TRO No 6 2022
Windmill Lane, Ridgeway Drive, Windsor Road, Batley
Field Hill, Grosvenor Road, York Road, Sunny Bank Road,
Batley

Statement of reasons

Complaints have been received that drivers associated with the schools on and facing Windmill Lane park on both sides of the road along its full length and around the junctions of Windsor Road and Ridgeway Drive obstructing access along the road and blocking visibility for pupils travelling to and from school. To resolve these problems, it is proposed to provide 'No Waiting At Any Time' restrictions at the junction of Windsor Road and Ridgeway Drive and at a strategic points on one side of Windmill Lane to maintain access into and out of the school and provide a passing point for drivers to pull onto to wait to allow other vehicles to pass.

Site visits have also shown parking takes place on both sides of Grosvenor Road up and on the bend and following a report of a number of damage only traffic collisions taking place at this location, the result of the parking taking place here, it proposed to introduce sections of 'No Waiting At Any Time' parking restrictions at this location and around the junction with York Road and Sunny Bank Road to improve access and visibility at these locations.

It is also proposed to provide waiting restrictions on Batley Field Hill on the north-east side of the junction of York Road to prevent parking obstructing access and visibility for drivers exiting from the junction.

It is intended these proposals will help facilitate the free flow of traffic on the roads concerned and improve road safety for all road users.
