

**KIRKLEES COUNCIL
HIGHWAYS ACT 1980 – SECTION 90 A-F
MOORLANDS AVENUE, DEWSBURY**

Statement of Reasons:

The traffic calming proposals for Moorlands Avenue, Dewsbury are proposed to address concerns raised by Local Ward Councillors and local residents in respect of inappropriate vehicle speeds and rat-running by drivers using this route to avoid the A638 Halifax Road / Willans Road junction.

It is believed the scheme will help resolve these issues of inappropriate speed and benefit all road users travelling through the area.
