

KIRKLEES COUNCIL

(On Street Parking Places) (No. 1) Order 2022

Dundas Street, Huddersfield

Statement of Reasons for proposing to make the Order

As part of the Transforming Cities Fund, a scheme to better connect the rail and bus stations for pedestrians and cyclists is to be installed.

The proposals include widening the footways on Dundas Street.

It is proposed to amend the current sections of 'No waiting at any time' and 'No loading at any time' parking restrictions to suit these changes and add a new loading bay on Dundas Street. To accommodate these proposals it is necessary to make amendments to the pay and display parking on Dundas Street.

It is believed these proposals will improve safety and accessibility within the town centre for both pedestrians and cyclists.
