

**KIRKLEES COUNCIL
(TRAFFIC REGULATION) (NO. 18) ORDER 2022
BURN ROAD, BIRCHENCLIFFE, HUDDERSFIELD**

STATEMENT OF REASONS

The proposed restriction is required to discourage vehicles from using Burn Road, Birchencliffe to access Halifax Road (A629). The visibility at this junction is restricted due to the historic arrangement and narrow width of Burn Road. It would seem appropriate to restrict access to the area and a one-way traffic flow restriction located as proposed is likely to have that effect.

The proposed restriction is intended to improve road safety for all users.
