

KIRKLEES COUNCIL

(TRAFFIC REGULATION) (NO. 25) ORDER 2022

MANOR PARK ROAD, BRADFORD ROAD, MARSH, CLECKHEATON

STATEMENT OF REASONS:

Concerns have been raised that parking takes place on both sides of Bradford Road and Manor Park Road associated with local shops and takeaways blocking access and visibility and resulting in traffic collisions.

To resolve these issues, this order will introduce strategically placed 'No Waiting At Any Time parking restrictions to help maintain access and visibility into and out of the junction of Manor Park Road and along Bradford Road at all times.

It is intended that these measures will help maintain access for the bus operators and improve road safety for all road users.
