

**KIRKLEES COUNCIL
(TRAFFIC REGULATION) (NO.28) ORDER 2021
NABCROFT LANE AND COLLEGE STREET, HUDDERSFIELD**

Statement of Reasons for Making the Order:

As part of the planning permission for Former St Luke's Hospital, Former St Luke's Hospital, Blackmoorfoot Road, Huddersfield (Planning Reference 2014/93099) one of the conditions required the developer to create new "No Waiting at Any Time" restrictions on Nabcroft Lane

It is proposed to introduce '43' metres of 'No Waiting At any Time' parking restrictions on both sides of Nabcroft Lane from the junction with Blackmoorfoot Road for distance of 43m in a south-easterly direction and 11 metres on the north-west side of College Street from the junction with Nabcroft Lane in a north-easterly direction.

It is intended these proposals will help reduce congestion for traffic travelling in and out and along Nabcroft Lane and help maintain access into and out of College Street.
