

**TRO No 30 2020**

**South Parade, Cleckheaton**

**Statement of reasons for proposing to make the order**

At school opening and closing times parking takes place on both sides of South Parade with the exception of a short section of School Keep Clear markings outside the entrance to the School. This parking blocks visibility for pedestrians and drivers using the route and makes crossing the road difficult for pedestrians.

So to try to improve visibility and access for drivers and pedestrians here at these times, it is proposed to introduce a section of additional School Keep Clear markings on the opposite side of the road to the school.

It is believed these proposals will improve road safety for all road users.
