

### **Statement of reasons for proposing to make the order**

Planning permission has been granted for a new residential development off Soothill Lane, Batley (Ref: - 2018/94189)

As part of the development numerous improvements are proposed at various points along Soothill Lane to help improve safety, capacity and bus accessibility.

This Traffic Regulation Order is proposed to restrict parking here with additional double yellow lines to improve road safety and ensure the free flow of traffic at the junction.

It is believed these proposals will improve the amenities in the area through which the roads run.
