

## **ST HELEN'S GATE, ALMONDBURY (20mph speed limit)**

### **Statement of reasons for proposing to make the order**

A planning application has been approved for additional classrooms at King James' School. It is anticipated that the development will result in an increase in pedestrian numbers using St Helen's Gate. To try to improve road safety in this vicinity for pedestrians, it is proposed to introduce a 20mph speed limit along St Helen's Gate, from the junction of Fenay Lane to the junction of Arkenley Lane

It is believed these proposals will improve road safety for all road users.
