Cross Church Street and Queen Street, Huddersfield

Statement of reasons for proposing to make the Order

These proposals are part of the Huddersfield Blueprint, a 10 year vision to create a thriving, modern-day town centre designed to improve access to the new Cultural Heart, Kingsgate Shopping Centre and surrounding areas.

- Cross Church Street
It is proposed to limit parking to specific locations for specifically authorised vehicles by revising and introducing additional sections of 'No Waiting At Any Time' parking restrictions along with the introduction of a 'Loading Only' bay
- Queen Street
It is proposed to limit parking to specific locations for specifically authorised vehicles by providing sections of 'No Waiting At Any Time/No Loading At Any Time' parking restrictions along with a 'Disabled Only Parking' bay and of a 'Loading Only' bay

It is believed the changes will improve cyclist and pedestrian connectivity and road safety within the town centre and specifically along Cross Church Street and Queen Street.
