

Kirklees Council

30mph extension

Cumberworth Road, Skelmanthorpe

**Statement of reasons for proposing to make the Order**

This Traffic Regulation Order is required to support the planning permission granted for “Land to the north of Cumberworth Road, Skelmanthorpe” planning reference 2019/62/90151.

Planning condition 26 required the relocation of the 30mph speed limit further out of the village.

As a result the 30mph is to start 100m further out of the village as an appropriate point to reduce driver speeds as they reach the new development access junction.

It is believed this scheme will tackle the potential for inappropriate speed as a result of increased traffic volumes expected by introducing the development.
