

**KIRKLEES COUNCIL
(TRAFFIC REGULATION) (NO. 16) ORDER 2022
HALIFAX ROAD [A649], HARTSHEAD MOOR, CLECKHEATON**

The Council of the Borough of Kirklees propose to make the above Order under their powers in the Road Traffic Regulation Act 1984 the effect of which, as it affects a length of road in the Huddersfield area of the Kirklees district, will be to:

1. Introduce a mandatory no U-turn restriction in both directions on A649 Halifax Road, Hartshead Moor, Cleckheaton from a point 50 north-west of the extended centre line of Walton Lane for a distance of 175 metres south-eastwards.

and

2. Introduce a one-way traffic flow for all vehicles on the service road to be created on A649 Halifax Road, Hartshead Moor, Cleckheaton from the junction of Sunnybank Close to the junction of Scholes Lane in a south-easterly direction.

REASON: It is proposed to prohibit all U-turn traffic manoeuvres for vehicles travelling north-westbound and south-eastbound at the above location and introduce a one way along the new service road to be created on Halifax Road from the junction of Sunnybank Close to the junction of Scholes Lane in a south-easterly direction.

The construction of these proposals will involve the installation of traffic signals and a physical central reservation. The above proposals are designed to restrict conflicting traffic movements and deter drivers using the service road to bypass the newly proposed traffic signals which will improve road safety for all road users.

A copy of this draft Order, together with the plan showing the affected lengths of road and a detailed statement of reasons for proposing the Order may be inspected at:-
