

**HOLMFIRTH TRO No 20 2019**  
**Hightown Lane/Wood Lane/Town Hall Street, Holmfirth**

**Statement of reasons**

A petition was received requesting permit parking on Hightown Lane and in addition complaints were received about access issues into and out of the road due to obstructive parking at the junction with Huddersfield Road.

By proposing Hightown Lane, Wood Lane (part) and Town Hall Street is subject to 'Resident Only Parking' and including a short section of 'No Waiting At any Time' restrictions at the beginning of Hightown Lane the problems should be resolved.

It is intended the Order will improve safety for all road users.
