

**KIRKLEES COUNCIL  
(TRAFFIC REGULATION) (NO. 07) ORDER 2023  
ST MARK'S ROAD, LONGWOOD, HUDDERSFIELD**

The Council of the Borough of Kirklees propose to make the above Order under their powers in the Road Traffic Regulation Act 1984 the effect of which, as it affects lengths of road in the Huddersfield area of the Kirklees district, will be to:

**Introduce one-way traffic flow on the following lengths of road:-**

St Mark's Road, Longwood, Huddersfield

In a North and North-westerly direction, from its junction with Church Street to its junction with Longwood Gate

**REASON:** To reduce a number of traffic collisions recorded on St Mark's Road and at the junction of Church Street which have occurred due the steep cobbled downhill gradient and the road's limited width throughout, it is proposed to introduce a one way flow on St Mark's Road travelling in a north-westerly direction.

It is intended that this proposal will facilitate the free flow of traffic on the road concerned and improve road safety for all road users.

A copy of this draft Order, together with the plan showing the affected lengths of road and a detailed statement of reasons for proposing the Order may be inspected at:-
