

Batley TRO No 3 2022

No Waiting At Any Time

Alexandra Road, Batley

Statement of reasons

It is proposed to extend the current 'no waiting at any time' parking restrictions on the north-west side of Alexandra Road to 45 metres as part of a planning condition for the introduction of three business units. These proposals are designed to be implemented on the opposite side of the road to the development to prevent current on-street parking taking place there which blocks access for HGVs.

It is intended that these proposals will ensure that larger vehicles can satisfactorily access the site and improve road safety for all road users.
