

**KIRKLEES COUNCIL**

**(TRAFFIC REGULATION) (NO. 2) ORDER 2022**

**RECTORY VIEW, PARK HOUSE VIEW, THORNHILL**

**STATEMENT OF REASONS**

Following complaints regarding access issues to a new development at Park House View, Thornhill and as the current yellow lines on Rectory View at the entrance to the development no longer correspond with the current lining here, it is proposed to amend the previous Traffic Regulation Order to match the current parking restrictions on site to allow their enforcement.

It is also proposed introduce a 20 metre section of new 'No Waiting At Any Time' parking restrictions on both sides of Park House View from the junction of Rectory View to prevent obstructive parking and help maintain access to the development and to the public footpath which runs from Park House View to The Combs.
