The Council of the Borough of Kirklees propose to make the above Order under their powers in the Road Traffic Regulation Act 1984 the effect of which, as it affects a lengths of roads in the Huddersfield area of the Kirklees district, will be to amend the Kirklees Council (Traffic Regulation) (Consolidation Order Providing On-Street Parking Places, Waiting, Loading And Stopping Restrictions and Migration to a 'Map-Based' Format) Order 2024 so as to:

  1. Leeds Road
  2. Canal Street
  3. Barr Street
  4. St Andrew's Road
  
- iii. Modify items in the Kirklees Council (Traffic Regulation) (Consolidation Order Providing On-Street Parking Places, Waiting, Loading and Stopping Restrictions and Migration to a 'Map-Based' Format) Order 2024 relating to the existing waiting restrictions on lengths of the following roads, which will be redundant when certain parts of the restrictions referred to above are introduced:**
  1. Southgate
  2. Leeds Road
  3. Learoyd Street

**REASON:** The order is proposed to correct anomalies in the council's records.

During the reconstruction of Leeds Road, Huddersfield a number of changes were made to parking restrictions without the completion of a Traffic Regulation Order.

This Traffic Regulation Order is being processed to ensure that the existing restrictions on site are matched in the Council's Order and are therefore legally enforceable.

It is believed these proposals will reinforce the Highway Code, correct an anomaly and improve traffic flow & highway safety for all road users.
