KIRKLEES COUNCIL (TRAFFIC REGULATION) (CONSOLIDATION ORDER PROVIDING ON-STREET PARKING PLACES, WAITING, LOADING AND STOPPING RESTRICTIONS AND MIGRATION TO A 'MAP-BASED' FORMAT) ORDER 2024 (AMENDMENT NO. 11) ORDER 2026

QUEEN STREET SOUTH, HUDDERSFIELD

The Council of the Borough of Kirklees propose to make the above Order under their powers in the Road Traffic Regulation Act 1984 the effect of which, as it affects a lengths of roads in the Huddersfield area of the Kirklees district, will be to amend the Kirklees Council (Traffic Regulation) (Consolidation Order Providing On-Street Parking Places, Waiting, Loading And Stopping Restrictions and Migration to a 'Map-Based' Format) Order 2024 so as to:

i. **Prohibit the waiting at any time on lengths of the following roads in Huddersfield:**

1. Queen Street South, Huddersfield
2. Queen Street South/Queensgate, Huddersfield

ii. **Revoke items in the Kirklees Council (Traffic Regulation) (Consolidation Order Providing On-Street Parking Places, Waiting, Loading and Stopping Restrictions and Migration to a 'Map-Based' Format) Order 2024 relating to the existing waiting restrictions on a length of Queen Street South, which will be redundant when certain parts of the restrictions referred to above are introduced**

iii. **Modify items in the Kirklees Council (Traffic Regulation) (Consolidation Order Providing On-Street Parking Places, Waiting, Loading and Stopping Restrictions and Migration to a 'Map-Based' Format) Order 2024 relating to the existing waiting restrictions on a length of Queen Street South, which will be redundant when certain parts of the restrictions referred to above are introduced**

REASON: As part of the proposed highway realignment scheme on Queen Street South, Huddersfield, amendments to the waiting restrictions are required following the decommissioning and infilling of the former underpass.

The highway layout will be altered as part of the scheme, including the installation of new highway and pedestrian infrastructure. Consequently, a number of the existing waiting restrictions will no longer align with the revised road layout and require amendment.

The proposed Order will revoke sections of existing waiting restrictions that are no longer appropriate and introduce new lengths of "No waiting at any time" restrictions where necessary.

It is considered that these proposals will improve highway safety, maintain the free flow of traffic, protect pedestrian movements and ensure the efficient operation of the highway.
