

Disability Access Funding for Three and Four year olds Application Form

Information and guidance for parents

Providers who offer Free Early Education and Care (FEEC) for **three and four year old** children can apply to Kirklees Council for Disability Access Funding (DAF) to support children with a disability to access the free entitlement. A lump sum payment of £800 is available each financial¹ year to providers who have eligible funded children in receipt of Disability Living Allowance (DLA).

Please complete and sign page two of this form and return to your provider along with a copy of your child's most recent Disability Living Allowance Letter confirmation. The childcare provider will then send the form and proof of eligibility to Kirklees Council.

- Payment of £800 will be made to the provider in the term your child accesses their free place.
- Children do not need to take up all of their entitlement to 570 hours to be eligible for DAF.
- Your child should be registered with the provider at Headcount/Census ² week to qualify for payment. Your provider will be able to tell you more about this.
- Payments will be made annually. If you move your child to another childcare provider during the year, then the DAF funding is not transferable until the following year.
- DAF funding can only be paid to one provider annually therefore if your child accesses their free entitlement at more than one provider, you must nominate which provider receives the DAF funding.
- Any equipment or resources purchased using DAF funding will remain the property of the provider.
- Four-year-olds in reception class are not eligible for DAF funding.
- Where a child lives in Kirklees but attends a provider in a different local authority, the provider's local authority is responsible for funding the DAF and eligibility checking.
- Where a child lives in another local authority but attends a provider located in Kirklees Council then Kirklees Council is responsible for funding the DAF and eligibility checking.
