

Early Years Pupil Premium funding for 3 and 4 year olds

Help your early learning and
childcare provider to give your child
the best start in life

What is early years pupil premium?

It is up to £300 extra a year that your nursery, childminder, pre-school or school nursery may be able to claim to support the learning and development of your child.

How does my provider claim it?

That is where you come in! The money is only available for some children (please see below). All you need to do is add your name, date of birth and national insurance number (or national asylum support service number) to the Parent Agreement that you complete with your provider.

Is my child eligible for early years pupil premium?
