

Vehicles that can use Household Waste and Recycling Centres in Kirklees

You need to register your vehicle to use a Household Waste Recycling Centre in Kirklees. You can do this on our website: www.kirklees.gov.uk/wastepermit

We issue two types of permit: a car permit and a large vehicle permit. The following information will help you to decide which permit to apply for during the registration process.

During registration you will be asked if you plan to use a trailer when you visit our centres. Trailers are restricted to 12 visits per year with a registered vehicle.

Car permit

Cars can start to use our centres once you have successfully registered your vehicle. Permits for cars will expire after 2 years.

Cars

Estates and people carriers

4x4s without a pickup

Large vehicle permit

To register a large vehicle you will need to upload an image of page 2 of your vehicle registration document V5. Registration of a large vehicle can take at least three days for our decision. Permits for large vehicles will expire after 1 year or when you have used our centres 12 times.

Camper vans under 2 metres in height
