

# YOUNG PEOPLE'S SURVEY

## 2018

## WHAT IS IT FOR?

The survey helps to inform commissioning and service provision and increase our understanding of the behaviour and views of young people. We use this data to update the Kirklees Joint Strategic Assessment (KJSA) and monitor the achievement of outcomes.

## WHO TAKES PART?

The last Young People's Survey collected data from Years 7, 9 and 12. However, we predominantly use Year 9 data to monitor trends; this time we may just focus on Year 9.

## WHERE DOES IT TAKE PLACE?

The last survey was conducted online during lessons at school.

## HOW CAN YOU HELP?

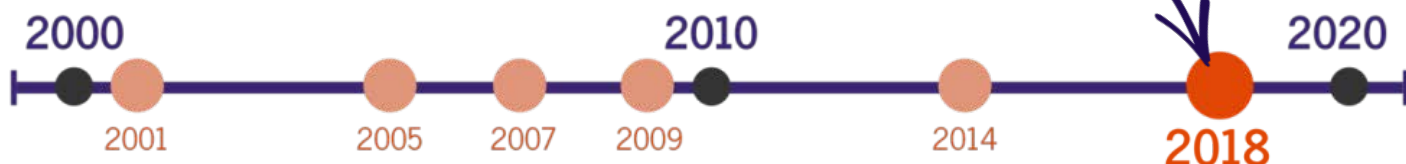

We need your help to shape the survey questions/methodology and engage with schools. Please get in touch if you can help.
