

PUBLIC NOTICE

Consultation - Definitive Map Modification Order Application (206)

Location: Colders Lane, Meltham (between Leygards Lane and Colders Drive)
Postcode: HDN 5NJ
Grid Reference: SE 1940 1024

Kirklees Council has received an application (Reference: 206) under section 53 of the Wildlife and Countryside Act 1981, to modify the Definitive Map and Statement and change the recorded status of Colders Lane, between Leygards Lane and Colders Drive, from public footpath to public bridleway.

The Public Rights of Way department at Kirklees Council is investigating the available evidence and currently recommends that a Definitive Map Modification Order is made to record the section of Colders Lane between letters A to B on the accompanying plan as a restricted byway: a public right of way on foot, horseback, and with non-mechanically propelled vehicles. The section of Colders Lane between letters B to C on the accompanying plan should be deleted on the basis that it is an ordinary vehicular highway, and not within the remit of the Definitive Map and Statement.

Have your say - We welcome your comments regarding this recommendation, or any evidence regarding the status of this route. Further information can be found in the preliminary consultation report, which can be viewed online using the QR code provided below, or on the Kirklees Council website.

Please note that matters such as suitability, security, or privacy cannot be taken into consideration. This notice forms part of the investigation. Any comments or evidence you provide may eventually be viewed in the public domain and may be used in evidence at a public inquiry. A final decision on the application would be made by Kirklees Council Planning Sub-Committee (Huddersfield Area).

Please submit any comments or evidence about this route to the Public Rights of Way service via post, email, or using the online form via the QR code by 12/06/2023.
