

# Employment Land Supply Review 2010

## GENERAL INFORMATION ON EMPLOYMENT LAND SUPPLY REVIEW.

In general it is the Council's intention to support development on the sites identified on the schedules. The current "Planning Status" of the sites lists; those with planning (detailed and outline approval); UDP allocations, which do not have planning permission; expired planning permissions; and sites identified by officers.

Before you enter into negotiations relating to the purchase or development of a site you should contact the Planning Officer responsible for the area to verify the information.

Every endeavor is made to ensure the accuracy of the Land Supply Review, but the Council cannot be held responsible for errors in the information. Update of the information is generally undertaken in April each year:

Further information can be provided on request, a charge will be made.
