

Affordable Housing and Housing Mix Supplementary Planning Document

Errata Note

This errata note corrects a number of factual reference errors contained within the originally published Affordable Housing and Housing Mix Supplementary Planning Document. These corrections relate to the government's Nationally Described Space Standards ([Technical housing standards – nationally described space standard - GOV.UK \(www.gov.uk\)](https://www.gov.uk/technical-housing-standards-nationally-described-space-standard)). These corrections are solely designed to add clarity rather than change any of the substance of the guidance.
