Dear Ms Child

Kirklees Local Plan – Request under section 20 (7) (C) of the Town and Country Planning Act 2004 - Main modifications.

I write in relation to the Kirklees Local Plan which you are in the process of examining. The council wish to formally request that as part of the examination process, you make recommendations to the council for any main modifications to the Plan that you consider are necessary in order to enable the Plan to satisfy the requirements referred to in section 20(5)(a) of the Planning and Compulsory Purchase Act 2004 and to make the plan sound.

This request is made under the above Act and Regulations to enable the Council to progress the Plan to adoption, following necessary consultation upon any main modifications that may be proposed.

Yours sincerely

Paul Kemp 

Service Director Economy Regeneration and Culture
