

Matter 24 – Green Belt and open space policies (Policies PLP 53 – 63)

Comments by Holmfirth Conservation Group (HCG)

1. We are of the opinion that there is a lack of appreciation of what can be achieved in developing greater economic and leisure activity within the Holme Valley.
2. Holmfirth town centre does not lie within the Green Belt, but it does sit on its doorstep. We are aware that inadequate design has a detrimental effect on the perceptions of residents and visitors.
3. We would defer to the draft Holme Valley Neighbourhood Plan on these policies.
