INTRODUCTION

The purpose of this summary is to draw out the main changes between the 2015 version of the draft Local Plan, and the version published for public consultation on 7 November 2016.

This summary helps readers to quickly identify changes without having to directly compare the 2015 & 2016 versions of the Plan, and to subsequently seek out the relevant part of the Publication Draft Local Plan for further information.

The main changes highlighted in this report are:

- **CHANGES TO POLICIES** **Page 2**
all changes made to policies since the draft Local Plan 2015 was published - expect grammar/typo amendments

- **CHANGES TO SITES** **Page 17**
changes to sites where:
 - a site was previously accepted and is now rejected
 - a site was previously rejected and is now accepted
 - the boundary of an existing site has changed significantly so that it is now treated as a new site
 - new sites
 - a site is now excluded

- **CHANGES TO NUMBER OF HOMES** **Page 29**
housing sites where there has been a 20% or more change in the number of homes allocated, where this equates to 20 houses or more

- **CHANGES TO AREA/FLOORSPACE** **Page 29**
employment sites where there has been a 20% or more change in area or floorspace, and this is significant

This is not a list of all changes to all sites, just main changes as defined above. A full list of all changes to sites is available separately.

The following table is a summary of the main changes to the Strategy and Policies Document between the Draft Local Plan and the Publication Draft Local Plan Stages.

Ref in DLP	DLP Policy Name	PLP No/Section No	PLP Policy Name	Change
		General	N/A	Update references to draft Local Plan to Publication Draft Plan throughout the document
Introduction	N/A	1.1 - 1.3, 1.19	N/A	Updated to reflect the stage of Plan preparation, soundness and consultation arrangements
1.1	N/A	1.1	N/A	Amendment to reflect that the Local Plan covers the administrative area of Kirklees Council except for that part within the Peak District National Park.
1.5	N/A		N/A	Amend the Plan to read the aims are also supportive of the Publication Draft Local Plan strategic objectives.
1.8	N/A	N/A	N/A	Alternative boxes removed and placed in sustainability appraisal
1.27	N/A	1.38	N/A	Additional text inserted to clarify the Special Protection Areas included within Kirklees
1.31	N/A	1.41 - 1.42	N/A	Update references to Community Infrastructure Levy
2.1	N/A	3.15	N/A	Additional text inserted to address the opportunities new technology and communication may present in the future.
2.3	N/A	Section 5	N/A	Explanatory text for how the sub-areas are derived and their role in the spatial development strategy has been amended in section 5.
2.7	N/A	Section 3 Issue 5	N/A	Issue 5 heading has been amended to include: contribution that brownfield land and the re-use of existing buildings make to accommodating development needs.
2.10	N/A	Section 3 Issue 10	N/A	Text deleted referring to Junction 24 at Ainley Top. Text amended providing reference to Highways England improvements along M62 and M1.
2.10	N/A	Section 3 Issue 10	N/A	Text amended to refer to public transport routes.
2.13	N/A	Section 3 Issue 10	N/A	New text inserted to refer to a reduction in congestion on the motorway network in West Yorkshire.
2.14	N/A	Section 3 Issue 12	N/A	Updated text to refer specifically to Huddersfield's economy and opportunities.

Ref in DLP	DLP Policy Name	PLP No/Section No	PLP Policy Name	Change
2.13	N/A	Place shaping - Kirklees Rural, 10.20, 10.54, 10.56	N/A	New text to refer to the Penistone Line and parking around the stations along the Penistone Line are being considered by West Yorkshire Combined Authority in association with the council.
New Issue 13	N/A	Section 3 Issue 13	N/A	New issue 13 included to refer to impact of new technology in relation to development patterns, commuting and travel in general.
Section 2 Issue 13	N/A	Section 3 Issue 14	N/A	Reference to Meadowhall and Broadway, Bradford included.
Section 2 Issue 13	N/A	Section 3 Issue 14	N/A	Amended title to read How can the vitality and viability of Kirklees town centre be improved.
Section 3 Vision	N/A	Section 4 Vision and strategic objectives	N/A	Vision amended to include reference to minimisation of waste and economic benefits of housing delivery, potential to reduce outcommuting
N/A	N/A	4.2	N/A	New text inserted into the introductory text to make reference to Leeds City Region and Northern Powerhouse.
3.3	N/A	4.3	N/A	Strategic Objectives 3, 4, 6, 7, 8 and 9 amended.
4.1	N/A	Section 6 How is the vision, objectives and strategy delivered.	N/A	Additional bullet added to How is the vision, objectives and strategy delivered which refers to support a pattern of development which, where reasonable to do so, facilitates the use of sustainable modes of transport. Amend to include a reference to support a pattern of development which, where reasonable to do so, facilitates the use of sustainable modes of transport. Amend to include text to read reatining, where justified, important open spaces within urban areas where these meet identified local needs by allocating land for urban and local greenspace purposes. Amend to include new bullet encouraging previously developed land and buildings within settlements.
4.20	N/A	6.41	N/A	Amended bullet point 3 to read: the potential relaxations of section 106 and a review of the CIL charging schedule to help bring forward brownfield land, where appropriate;
4.5.1	N/A	N/A	N/A	Delete reference to paragraph 4.5.1. as it refers to alternatives.
5.9	Kirklees Rural	Section 5 Kirklees Rural	N/A	Amended to make reference to conservation areas at risk.

Ref in DLP	DLP Policy Name	PLP No/Section No	PLP Policy Name	Change
6.8	Employment strategy	7.8	N/A	Paragraph amended to make reference to outcommuting
6.8	Employment strategy	Table 3	N/A	Employment land figure revised to 175ha
6.8	Employment strategy	7.8	N/A	Amended to read: Consequently it has been important to identify prime sites that provide large areas of undeveloped land, that are well placed to take advantage of established business corridors, with good access to the workforce, public transport and motorway junctions.
7.5	Housing strategy	8.5	N/A	The final sentence relating to shortfalls in delivery against previous targets has been moved to the following paragraph.
7.7	Housing strategy	8.7	N/A	Amendment to reflect revised calculation of the capacity required from the new housing allocations.
7.8	Housing strategy	8.8	N/A	Change to reflect the additional housing completions since 2013 and include reference to the revised calculations for the amount of housing to be provided in the district including a contingency allowance for planning permissions.
7.10	Housing strategy	8.10	N/A	Amendment to update the windfall allowance calculation as there has now been a further year of housing completions.
7.13	Housing strategy	8.13	N/A	Amendment to reflect demolition allowance for the remaining 16 years of the Plan.
7.14	Housing strategy	N/A	N/A	Paragraph deleted as there will no longer be a 5% buffer applied to allocations
7.15	Housing requirement	8.14	N/A	Local Plan housing requirements updated.
7.18	Meeting the housing requirement	8.17	N/A	The housing requirement is updated based on the 2014 based household projections and revised economic assumptions. Minor changes have been made to housing market area text to add clarity.
Table 4	Meeting the housing requirement	Table 5	N/A	Table amended to reflect revised figures, addition of planning permissions contingency and the removal of the 5% contingency.
Table 4	Meeting the housing requirement	Table 5	N/A	A buffer of 10% will now be applied to planning permissions not assessed using the local plan allocations methodology.
Table 5/7.20	Allocated homes by district committee area	N/A	N/A	Table 5 has been deleted and supporting text.

Ref in DLP	DLP Policy Name	PLP No/Section No	PLP Policy Name	Change
7.21	N/A	8.18	N/A	Reference is now made to Local development orders in the list of potential actions the council could consider if there is not a deliverable five year supply of housing sites.
7.24	N/A	8.22	N/A	Clarification added to provide links between the housing trajectory and the local plan phasing table.
Figure 7	N/A	Figure 7	N/A	Housing trajectory has been amended
7.26	N/A	8.24	N/A	Amendment to add clarification in relation to the 5% or 20% buffer required by national planning policy.
7.28	N/A	8.26	N/A	Amendment to clarify that compulsory purchase orders or local development orders may be considered.
7.34	N/A	8.32	N/A	Text amended in relation to the council's self build register.
7.37	N/A	8.36	N/A	Reference to council assets inserted.
7.38	N/A	8.37	N/A	Reference to alternative models of affordable housing delivery inserted.
7.39	N/A	8.38	N/A	Justification text amended to reflect change from at least 20% to 20%.
7.43	N/A	8.42 and 8.43	N/A	Reference to starter homes added and a context paragraph added in relation to the government approach to affordable housing delivery.
8.9	N/A	9.10	N/A	Minor word changes.
8.11	N/A	N/A	N/A	Paragraph deleted.
8.12	N/A	9.12	N/A	Minor amendments to wording and Retail Capacity Study (2016), Kirklees Town Centre Delivery Study: Huddersfield, Kirklees Town Centre Delivery Study: Dewsbury added.
8.13-8.15	N/A	9.13-9.15	N/A	Minor amendments.
8.19, 8.25, 8.31, 8.38, 8.45	N/A	9.19, 9.25, 9.31, 9.39, 9.46	N/A	Minor amendments to wording and Retail Capacity Study (2016), Kirklees Town Centre Delivery Study: Huddersfield, Kirklees Town Centre Delivery Study: Dewsbury added.
8.32	N/A	9.32	N/A	Addition of wording: part of the town centre is designated as a conservation area and it has a large number of listed buildings.
8.33, 8.36, 8.39, 8.40, 8.43, 8.44	N/A	9.33, 9.36, 9.40, 9.41, 9.44, 9.45	N/A	Minor word changes.

Ref in DLP	DLP Policy Name	PLP No/Section No	PLP Policy Name	Change
8.37	N/A	9.37	N/A	Additional wording added: green access routes would enhance connectivity between the town centre and the university.
DLP 1	Presumption in favour of sustainable development	PLP 1	Presumption in favour of sustainable development	No changes made to policy
DLP 2	Location of new development	PLP 3	Location of new development	Changes to the policy to delete criteria addressed elsewhere in the plan. Changes made to part 1 of the policy to ensure greater consistency with the amended spatial development strategy and combining original criterion 1 and 2. Additional criterion added to part 2 of policy to ensure transport and access issues included under principles of location of new development. Inclusion of new text to confirm that where new infrastructure is needed, the council will expect phasing plans to be submitted as part of planning applications and where appropriate, will link the construction and occupation of that development to infrastructure provision.
DLP 3	Providing infrastructure	PLP 4	Providing infrastructure	Amend Policy DLP4 to read masterplans must involve all relevant stakeholders. Amend point f to reduce the need for car use and expected to encourage sustainable modes of transport, including the provision for public transport, cycle routes, footpaths, bridleways and electric charging points. Amend point j to refer to community sport and fitness provision.
DLP 4	Masterplanning sites	PLP 5	Masterplanning sites	Amended policy justification for masterplan policy to read: high levels of designs for all types of development are essential to maintaining and enhancing the character of the area. Masterplans will be required where proposals warrant such an approach owing to the site location, development scale, relationship with surrounding uses, mix of uses or where the scale of change is significant.
4.29	N/A	6.23	N/A	
DLP 5	Safeguarded land (Land to be safeguarded for potential future development)	PLP 6	Safeguarded land (Land to be safeguarded for potential future development)	No changes made to policy.

Ref in DLP	DLP Policy Name	PLP No/Section No	PLP Policy Name	Change
4.33	N/A	6.3	N/A	New text has been inserted to the policy justification for safeguarded land to refer to the approximate quantum of safeguarded land for jobs and homes.
DLP 6	Efficient and effective use of land and buildings	PLP 7	Efficient and effective use of land and buildings	Criterion a is amended to read: the efficient use of previously developed land in sustainable locations provided that it is not of high environmental value. Criterion d and the reference to best and most versatile land has been deleted from Policy PLP7 and reference inserted into How is the vision, objectives and strategy delivered. Criteria a and b have been amended. The density figure has been amended to 35 dwellings per hectare. New Criterion d is amended to read: allowing the opportunity for access to adjoining undeveloped land so it may subsequently be developed.
DLP 7	Place shaping	PLP2	Place Shaping	Policy justification for PLP7 amended to read: Lower densities may also be appropriate within a site where this is needed to ensure that flood risk sequential approach to layout can be achieved. Deletion of criterion as they repeated other policies in the plan.
Section 4 and 5	N/A	N/A	Section 5 and 6	Place shaping sections and spatial development strategy have been rewritten and reorganised to provide more clarity on how the issues, vision and objectives contribute to the place shaping chapter and how the place shaping chapter informs the spatial strategy. Each of the place shaping statements for the four sub areas has been revised to include more detail on strengths/opportunities and challenges to growth affecting different localities. The relationship to South Yorkshire via the Penistone Line is identified in the Kirklees Rural Area.
Section 4 and 5	Huddersfield Place shaping	N/A	Section 5	Amended text to read: many areas of the town have good access to green spaces and the surrounding countryside for leisure opportunities.
Section 4 and 5	Dewsbury and Mirfield Place shaping	N/A	Section 5	Amended text to place greater emphasis on Dewsbury town centre and a further change to refer to heritage assets, river and canal corridor.

Ref in DLP	DLP Policy Name	PLP No/Section No	PLP Policy Name	Change
Section 4 and 5	Batley and Spen Place shaping	N/A	Section 5	Increase emphasis on Batley, Cleckheaton and Heckmondwike centres and other local areas. New reference to risk of flooding in Batley Beck and Spen Valley.
Section 4 and 5	Kirklees Rural Place shaping	N/A	Section 5	Additional references to settlements in this area have been inserted together with references to highways, tourism and leisure offer, links to south Yorkshire, Transpennine Trail, rail links to Sheffield, bus services.
DLP 8	Safeguarding employment land and premises	PLP 8	Safeguarding employment land and premises	The following sites have been identified for inclusion as PEAs: Land north of Miry Lane, Thongsbridge; Park Mill Business Park, Meltham Road, Huddersfield; Steps industrial Park. Amend DLP8 to delete inappropriate unless and replace with will only be supported where. Amend first part of the policy to read: Proposals for development or re-development for employment uses in priority Employment Areas will generally be supported.
DLP 9	Supporting skilled and flexible communities and workforce	PLP 9	Supporting skilled and flexible communities and workforce	Policy has been amended to provide clarity that the requirements of Policy PLP9 will only apply where it is reasonable to do so. Paragraph 2 of the policy has been amended to include the words wherever possible and removes the word major.
DLP 10	Supporting the rural economy	PLP 10	Supporting the rural economy	Policy PLP10 has been expanded to cover a broader range of employment uses associated with the smaller settlements including SMEs, supporting sustainable business clusters and home working. The policy has been amended to reflect the importance of improved digital infrastructure to the rural economy. Criteria 1 a has been added to ensure a positive approach towards supporting the growth of the digital economy.

Ref in DLP	DLP Policy Name	PLP No/Section No	PLP Policy Name	Change
DLP 11	Housing mix and affordable housing	PLP 11	Housing mix and affordable housing	The policy justification has been amended to refer to starter homes in more detail. Amendment to clarify that policy applies to self contained housing units rather than the term grouped housing. Amendment to refer to robustly evidenced local needs. Reference to price in the policy and justification is deleted. Further clarification has been added to the policy in terms of adaption of properties which could meet the needs of any age group when required. Addition of appropriate to the policy and reference to adaptations. The policy has been amended to refer to 20% affordable housing requirement to provide certainty. Additional text on starter homes has been added to the policy justification.
DLP 12	Accommodation for travellers	PLP 12	Accommodation for travellers	No changes made to policy
DLP 13	Town centre uses	PLP 13	Town centre uses	First paragraph in policy wording part A has been amended to include and then in accordance with the sequential test. Part A second paragraph, the word undermine has been changed to have a significant adverse impact. The fourth paragraph in policy wording A has been amended to the creation of new local centres in areas of significant residential growth or where there are deficiencies in the existing network of centres will be supported, where it can be demonstrated that existing centres cannot be expanded to deliver local services, and subject to the sequential test and impact assessment as set out in B and C below. The word significant has been added to the final sentence of part c policy wording. removal of part D and level 5 non urban areas in the delivery of services table. Removal of reference to class A1 in part B. Paragraph 5 in policy wording part A has been amended to include green spaces. The words where appropriate has been removed from Part A paragraph 5 and provision for cycle parking added to part B bullet point 4.
DLP 14	Shopping frontages	PLP 14	Shopping frontages	The format of the policy has changed and amendments made for clarity.

Ref in DLP	DLP Policy Name	PLP No/Section No	PLP Policy Name	Change
DLP 15	Residential use in town centres	PLP 15	Residential use in town centres	No changes made to policy
DLP 16	Food and drink uses and the evening economy	PLP 16	Food and drink uses and the evening economy	Policy wording - use classes A3, A4, A5, D2 and Sui generis removed. The word redevelop has been removed from criterion h. A new criterion has been added to retain and refurbish traditional shop fronts wherever practicable. A new criterion has been added to the policy: where appropriate urban green infrastructure such as street trees and additional wording in policy justification including a new paragraph.
DLP 17	Huddersfield town centre	PLP 17	Huddersfield town centre	A new criteria has been added: where appropriate urban green infrastructure such as street trees.
DLP 18	Dewsbury town centre	PLP 18	Dewsbury town centre	
DLP 19	Strategic transport infrastructure	PLP 19	Strategic transport infrastructure	Text amended to refer to climate change and environmental objectives. The Allocations and designations document refers to protecting the area of land to accommodate the Chain Bar scheme. Text amended to consider the impact on historic assets as detailed in the allocations and designations document. Justification text has been amended to reflect West Yorkshire Infrastructure Study. Additional justification text providing detail on the RIS schemes and proposed periods of construction. The electrification of the penistone Line is now included in TS10 Public Transport Schemes in the allocations and designations document.
DLP 20	Sustainable travel	PLP 20	Sustainable travel	Text amended to account for the potential of larger mixed use sites to deliver on site facilities. Text amended to distinguish variation between urban and rural areas to meet requirements of paragraph 29 NPPF. Also amended text to account for the potential of larger mixed use sites to deliver on-site facilities. Amended text to refer to the voluntary sector.

Ref in DLP	DLP Policy Name	PLP No/Section No	PLP Policy Name	Change
DLP 21	Higways and access	PLP 21	Highway safety and access	Amended text to account for paragraph 32 NPPF and any impacts on the strategic road network. Amended criteria g and h to account for surface water flooding/fluvial flooding and SuDs. Amended text to account for any impacts on the strategic road network. Amended criterion d to include topography.
DLP 22	Parking	PLP 22	Parking	Criterion (a) amended to include reference to town, district and local centres.
DLP 23	Core road and bus routes	N/A	N/A	Policy deleted and incorporated into revised policy PLP 19.
DLP 24	Core walking and cycling network	PLP 23	Core walking and cycling network	Core Walking and cycle route amended on policies map to reflect link to Pennine Way through the Kirklees Way and links to Wakefield at Middlestown/Overton. An indicative route has been demonstrated along the River Holme corridor to meet with the aspirations of the River 2015 project. Reference to national trails included.
DLP 25	Design	PLP 24	Design	Additional criterion added to cover provision of new open space in the design of development. Amendments to criterion relating to extensions adding word 'subservient' and further text regarding impact on amenity. Amended criterion g to refer to multi-functional green infrastructure. Amended criterion d (v) and allows for convenient collection of waste. Amended criterion a to refer to heritage assets. Additional criterion added to refer to the re-use and adaptation of existing buildings wherever practicable. Amended criterion d (vii) to place more emphasis on the life cycle of residents. Amended criterion a to include consideration of landscape character and remove important views and vistas. Supporting text has been amended to include reference to canal network.
DLP 26	Advertisements and shop frontages	PLP 25	Advertisements and shop frontages	The policy and supporting text has been amended to refer to preserve or enhance. The last sentence of 10.19 has been deleted.

Ref in DLP	DLP Policy Name	PLP No/Section No	PLP Policy Name	Change
DLP 27	Renewable and low carbon energy	PLP 26	Renewable and low carbon energy	Landscape sensitivity maps are included within the Local Plan. The links between other plan policies and how they can help deliver renewable and low carbon technologies has been added to supporting text. Further text has been added on district heat networks. Additional text added to confirm the production of a supplementary planning document in respect of safety aspects of wind turbines.
DLP 28	Flood risk	PLP 27	Flood risk	Policy has been amended and a paragraph added to supporting text to incorporate reference to support for targetted vegetation planting to be carried out in upper catchments and along river banks where appropriate and consistent with other policies. Supporting text amended to clarify that the site specific flood risk assessments need to take account of all sources of flooding as set out in the policy. Minor amendments to improve the clarity of the policy wording in relation to the sequential test in the first paragraph of the policy. Amendment of wording to state that compensatory storage will be required from certain sites rather than flood attenuation measures. Clarification of justification text added in relation to surface water flood risk for lower lying areas to reflect comments made on the policy wording.
DLP 29	Drainage	PLP 28	Drainage	Changes to policy wording to allow improvements to water quality where practicable to allow some flexibility in approach. Policy amended to refer to green infrastructure in relation to SuDs. Policy wording amended to reflect the consideration of proposed open spaces to assist with sustainable drainage of sites. Minor word changes relating to planning application assessment and the role of open spaces in sustainable drainage.
DLP 30	Management of water bodies	PLP 29	Management of water bodies	The justification text has been amended to ensure that potential conflicts with the Water Framework Directive are taken into account.

Ref in DLP	DLP Policy Name	PLP No/Section No	PLP Policy Name	Change
DLP 31	Biodiversity & geodiversity	PLP 30	Biodiversity & geodiversity	Change to policy wording to incorporate mitigation hierarchy and to ensure that development proposals avoid significant loss or harm to biodiversity and inclusion requirement for net biodiversity gains through good design. Change to justification text to recognise the importance of biodiversity and geodiversity to people and their well being. Change to recognise the Dark Peak Nature Improvement Area and additional wording to explain HRA. Additional included on development requirements within and adjacent to the wildlife habitat and on the purpose of the Kirklees Biodiversity Opportunity Zones and types of zones.
DLP 32	Strategic green infrastructure	PLP 31	Strategic green infrastructure network	Minor changes proposed to the identified Kirklees Wildlife Habitat Network to ensure better cross boundary linkages with Wakefields Wildlife Habitat Network. Changes to the policy wording to ensure that development proposals within the strategic green infrastructure network consider biodiversity and ecological links. Change to policy wording to ensure that new and enhanced green infrastructure is incorporated into development proposals where opportunities exist.
DLP 33	Landscape	PLP 32	Landscape	Criterion a amended to read: the need to protect the setting and special qualities of the Peak District National park, views in and out of the park and views from surrounding viewpoints. Change to policy wording to read: where tree loss is deemed to be acceptable, developers will be required to submit a detailed mitigation scheme. New paragraph added to supporting text to refer to woodlands
DLP 34	Trees	PLP 33	Trees	

Ref in DLP	DLP Policy Name	PLP No/Section No	PLP Policy Name	Change
DLP 35	Conserving and enhancing the water environment	PLP 34	Conserving and enhancing the water environment	Reference to the detailed Water Framework Directive has been removed from the policy justification. The text now refers to the latest WFD document. The policy and justification has been amended to refer to water availability from surface water and ground water sources. Additional reference to sensitivity of groundwater as relevant. Additional text added to supporting text to refer to trees. The Water Framework Directives table showing the status of Kirklees watercourses has been removed. Reference to the role of trees inserted and reference to water abstraction licences.
DLP 36	Historic environment	PLP 35	Historic environment	The policy has been amended in line with comments from Historic England. Criterion a has been amended and an additional criterion added. Justification text has been amended to refer to the need to consult West Yorkshire Historic Environment record and to make reference to archaeological evaluations and the Castle Hill Setting Study and the historic landscape character assessment of Kirklees. Justification text corrected and reference made to West Yorkshire Archaeological Advisory Service.
DLP 37	Proposals for mineral extraction	PLP 36	Proposals for mineral extraction	Reference to open cast replaced with surface in supporting text.
DLP 38	Site restoration and aftercare	PLP 37	Site restoration and aftercare	Amended text to acknowledge that in some cases progressive restoration may not be appropriate.
DLP 39	Minerals safeguarding	PLP 38	Minerals safeguarding	Policy has been amended to include a site size threshold to clarify what is meant by infill. Policy reworded to exclude development within the curtilage of existing buildings. All minerals including those located in urban areas in mineral safeguarding areas. Amended supporting text to clarify the council will be involved in the delivery of policy aims.
DLP 40	Protecting existing and planned minerals infrastructure	PLP 39	Protecting existing and planned minerals infrastructure	No change.

Ref in DLP	DLP Policy Name	PLP No/Section No	PLP Policy Name	Change
DLP 41	Alternative development on protected minerals infrastructure sites	PLP 40	Alternative development on protected minerals infrastructure sites	Mineral resources are now included with in mineral safeguarding areas.
DLP 42	Proposals for exploration and appraisal of hydrocarbons	PLP 41	Proposals for exploration and appraisal of hydrocarbons	Reference is now made to groundwater and surface water within the policy.
DLP 43	Proposals for production of hydrocarbons	PLP 42	Proposals for production of hydrocarbons	Additional criterion added to include "Where a proposal demonstrates that it will have a net zero impact on climate change."
DLP 44	Waste management hierarchy	PLP 43	Waste management hierarchy	No change.
DLP 45	New waste management facilities	PLP 44	New waste management facilities	No change.
DLP 46	Safeguarding waste management facilities	PLP 45	Safeguarding waste management facilities	No change.
DLP 47	Waste disposal	PLP 46	Waste disposal	No change.
DLP 48	Healthy, active and safe lifestyles	PLP 47	Healthy, active and safe lifestyles	Criterion h amended to include and green. Additional text added to policy to refer to active marketing and requirements for licenced premises. Revised policy text on accessible locations and access by walking, cycling and public transport.
DLP 49	Community facilities and services	PLP 48	Community facilities and services	Amended criterion b to refer to accessible by walking, cycling or by public transport.
DLP 50	Educational and health care needs	PLP 49	Educational and health care needs	Policy amended to read: Development will be expected to demonstrate that it is not likely to result, directly or indirectly, in an increase in air pollution which would unacceptably affect or cause a nuisance to the natural and built environment or to people.
DLP 51	Protection and improvement of local air quality	PLP 51	Protection and improvement of local air quality	No change.
DLP 52	Protection and improvement of environmental quality	PLP 52	Protection and improvement of environmental quality	No change.
DLP 53	Contaminated and unstable land	PLP 53	Contaminated and unstable land	No change.

Ref in DLP	DLP Policy Name	PLP No/Section No	PLP Policy Name	Change
DLP 54	Sport and physical activity	PLP50	Sport and physical activity	No change.
DLP 55	Development in the Green Belt	N/A	N/A	Policy deleted as it repeats national planning policy.
DLP 56	Buildings for agriculture and forestry	PLP 54	Buildings for agriculture and forestry	No change.
DLP 57	Agricultural and forestry workers' dwellings	PLP 55	Agricultural and forestry workers' dwellings	No change.
DLP 58	Facilities for outdoor sport, outdoor recreation and cemeteries	PLP 56	Facilities for outdoor sport, outdoor recreation and cemeteries	Criterion c deleted as it repeats national planning policy and other policies in the plan.
DLP 59	The extension, alteration or replacement of existing buildings	PLP 57	The extension, alteration or replacement of existing buildings	No change.
DLP 60	Garden extensions	PLP 58	Garden extensions	No change.
DLP 61	Infilling and redevelopment of brownfield sites	PLP 59	Infilling and redevelopment of brownfield sites	New criterion to read: redevelopment does not result in the loss of land that is of high environmental value which cannot be mitigated or compensated for.
DLP 62	The re-use and conversion of buildings	PLP 60	The re-use and conversion of buildings	No change.
DLP 63	Urban green space	PLP 61	Urban green space	No change.
DLP 64	Local green space	PLP 62	Local green space	No change.
DLP 65	New open space	PLP 63	New open space	Change to clarify the preference for off-site and on-site open space provision.
Glossary	N/A	Glossary	N/A	Glossary amended to include definition of designated heritage sites and definition of conservation area amended. A definition of economic development is now included.

Changes to Allocations and Designations in the Publication Draft Local Plan (PDLP)

Accepted Options

Land Use type	Site ID	Address	Change since Draft Local Plan	PDLP Outcome
Area Committee:				
Transport Scheme	TS11	Strategic Road Network Improvements	New Option	Accepted
Area Committee: Batley and Spen
