- St John Fisher Catholic Voluntary Academy
- Thornhill Community Academy, A SHARE Academy
- Westborough High School

Overview: Table B on page 224 and the chart on page 222 illustrate that the demand for year 7 places from young people resident in this planning area will be broadly static towards 2025 before declining (although the scale of future house-building may change this). In the wider area of North Kirklees, there has been a period of high demand where a significant number of planned bulge places were required. Beyond 2024, it is likely that far fewer bulge places, if any, will be needed.

Located in the Dewsbury planning area, St John Fisher Catholic Voluntary Academy is a faith school with a pupil population residing across North Kirklees and beyond. The school offers sixth form provision. Westborough High School is located in the Dewsbury West part of the planning area; Manor Croft Academy is located in the Dewsbury East part of the planning area and borders the neighbouring authorities of Leeds and Wakefield. Thornhill Community Academy, A SHARE Academy is located in the Dewsbury South part of the planning area and is adjacent to Wakefield local authority.

In 2022/23 Working closely with schools in this area, 80 additional places were added as a bulge year:

- Manor Croft Academy +30 on a PAN of 180 to 210
- Thornhill Community Academy, A SHARE Academy +30 on a PAN of 180 to 210
- Westborough High School +20 on a PAN of 180 to 200

At national offer day there were a very small number of vacancies at Thornhill Community Academy, A SHARE Academy.

In 2023/24 Working closely with schools in this area once again, 80 additional places were added as a bulge year:

- Manor Croft Academy +30 on a PAN of 180 to 210
- Thornhill Community Academy, A SHARE Academy +30 on a PAN of 180 to 210
- Westborough High School +20 on a PAN of 180 to 200

At national offer day all schools were full, apart from St John Fisher Catholic Voluntary Academy which had one vacancy.

The pattern of pupil distribution illustrates that 60% of children that live in this planning area attend schools in the area. 24% are securing places in neighbouring planning areas, particularly in single gender provision in the Batley, Birstall, Birkenshaw and Gomersal planning area, and also at schools in the Cleckheaton, Heckmondwike, Liversedge and Mirfield planning area. There are around 18% of pupils who are attending schools here from neighbouring planning areas, with a much smaller percentage of around 1% from other LAs.

For 2024, 2025 and 2026 NHS population data indicates that demand will be broadly static towards 2025; thereafter demand is expected to decline. There are fewer places in this planning area than resident children, however, there are well established patterns of pupil movement into neighbouring planning areas and to other LAs. Factors influencing this movement include parental choice for single gender provision in Batley and the popularity of schools in the Cleckheaton, Heckmondwike, Liversedge and Mirfield planning area.

In the period leading up to the 2022 population peak there was high demand for places in the wider area of North Kirklees. Through the goodwill and collaboration of the Kirklees school system, this was managed by the carefully planned introduction of bulge places rather than the introduction of a new school. These bulge classes are still working their way through the school system and this does continue to present some challenges to in-year pupil movement. However, the pressure on Year 7 places will begin to ease as the population declines.

There is a housing development in this planning area providing 280 dwellings that has commenced and is due to be complete in around five years. There are two strategic development sites in the Kirklees Local Plan in this planning area. Given the concentration of housing development in this planning area, there is a risk that, even with the expected population decline, demand for places will exceed the available capacity. A strategic decision was made in 2021 to introduce a modest number of permanent places (30 per year group) at Manor Croft Academy to manage the previous population peak and future demand generated by these two sites.

Place planning summary for Planning Area 28. Dewsbury										
Place planning data for five cohorts of children: Years 7,8,9,10,11 From NHS Oct 2022 and School Census Jan 2023 Note numbers in [square brackets] show the average number of children per year group										
 5111 [1022] children live in this PA (NHS) 3058 [612] go to schools in this PA 1214 [243] go to schools in other Kirklees PAs 89 [18] go to schools in non-mainstream provisions 288 [58] go to schools in other LAs 462 [92] are unknown 										
Average number of places used per year group Number of Year 7 places available Trend in number of children living in this PA per year group	758 738 Broadly static with fluctuations									
 Place planning strategy (assuming current patterns of migration, housing occupancy, parental preference etc) Based on population data the projected need for places is above the capacity of available places On balance, significantly more children travel OUT to schools in other PAs than travel in to schools in this PA With a large number also travelling OUT to schools in neighbouring LAs In the wider area of North Kirklees, there has been a period of high demand where a significant number of planned bulge places were required. In future, it is likely that far fewer bulge places, if any, will be needed.

Tables E(i) to E(iii) below show how Year 7 places were allocated in this planning area at each of the last three National Offer Days, compared to the number of Year 7 places available at each school and the number of applicants resident in each school's Priority Admission Area (PAA). Blanks in the tables indicate a school does not have a PAA.

Table E(i)

The following bulge places were offered above PAN: Manor Croft Academy - 30 places; Thornhill Community Academy – 30 places; and Westborough High School – 20 places.
