**Overview:** The chart on page 86 (and Table B on page 87) shows the demand for Reception places from children resident in this planning area is expected to decline albeit with fluctuations. This planning area borders the neighbouring authority of Bradford and there is a trend of inward migration.

In 2022/23 there were a number of unfilled places at two schools.

**In 2023/24** there were a number of unfilled places at national offer day across two schools. There remains a localised pressure in Scholes village associated with previous housing development, but places have been available at other schools within a reasonable distance. The pattern of pupil distribution illustrates that the majority (74%) of children living in this planning area attend schools in the area, whilst others are securing places in neighbouring planning areas, particularly Birkenshaw & Gomersal and Liversedge, as well as a modest number from the neighbouring authority of Bradford. There is a small percentage (8%) of pupils attending schools here from neighbouring planning areas.

**For 2024, 2025, and 2026** population data indicate that following a significant dip in 2024, population will recover somewhat in 2025 before declining again thereafter. This planning area borders Bradford and so monitoring of cross-LA pupil distribution and liaison with colleagues in neighbouring authorities will continue. There are two housing development sites - one where building work has commenced on 122 dwellings, which is expected to take around two years to complete, and on with approximately 300 dwellings where building has not yet commenced. There is no need for additional places.

Tables E(i) to E(iii) below show how Reception places were allocated in this planning area at each of the last three National Offer Days, compared to the number of Reception places available at each school and the number of applicants resident in each school's Priority Admission Area (PAA). Blanks in the tables indicate a school does not have a PAA.
