REASON: Redrow Homes are undertaking a residential development on the land at Bradley Villa Farm, Huddersfield. Planning permission was granted for these proposals (Planning Ref:- 2021/62/92086/W).

Before the occupation of the site, it is proposed to reduce the existing speed limit from 40 mph to 30 mph past the entrance to the development on the A6107, Bradley Road, on the

A641, Bradford Road and the A6107, Fixby Road and encompassing Bradley Bar Roundabout.

It is believed these proposals will improve road safety for all road users using these facilities and routes.
